

Synchrotron Radiation to study Atomic Layer Deposition

Contribution ID: 2

Type: **oral**

SAXS Investigation of Nano-Pore Membranes Coated By Atomic Layer Deposition

Monday, 13 June 2016 18:00 (20 minutes)

Primary author: Ms HADLEY, Andrea (Department of Electronic Materials Engineering, Research School of Physics and Engineering, The Australian National University)

Presenter: Ms HADLEY, Andrea (Department of Electronic Materials Engineering, Research School of Physics and Engineering, The Australian National University)

Session Classification: Talks 2
